#### F. STUDENT TUITION RECOVERY FUND

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.

6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

#### H. REFUND INFORMATION

1. If a student cancels their enrollment prior to attending class, they are entitled to a full refund of all monies paid.
2. If the *Enrollment Agreement* is cancelled, the school will refund the student any monies he/she paid, less a registration or administration fee not to exceed \$250, and less any deduction for equipment not returned in good condition, within 45 days after the notice of cancellation is received.
3. If you have received Federal student financial aid funds and you cancel you will be entitled to a refund of the monies not paid from those Federal student financial aid funds.
4. The student may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund if they have completed 60 percent or less of the period of attendance. The amount of that refund is to be “pro-rated” according to the not-completed portion of the program, less the cost of any equipment returned in good condition (good condition does not include equipment that a seal is broken, logon occurred, or is marked or damaged in any way). The refund is to be paid within 45 days of withdrawal.

For example, if the student completes only 45 hours of a 90-hour course and paid \$500 tuition, the student would receive a refund of \$250, the computation is as follows:

$$\begin{array}{rcl} \text{(Tuition)} & \times & \text{(\% of clock hours remaining)} = \text{Refund} \\ (\$500) & \times & (.50) & = & \$250 \end{array}$$

For the purposes of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- a. The student notifies the institution in writing of the student’s withdrawal in accordance with the terms of Section D of this *Enrollment Agreement*.
- b. The institution notifies the student in writing of the termination of the student’s enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absence in excess of the maximum set forth by the institution; and/or failure to meet the financial obligations to the school.
- c. The student has failed to attend class for three (3) class weeks without discussion with the institution and agreement of a plan for completing the work missed.
- d. For the purposes of determining the amount of the refund, the date of the student’s withdrawal shall be deemed the last date of recorded attendance.
- e. For the purposes of determining when the refund must be paid, the student shall be deemed withdrawn when three (3) class weeks have been missed without contact from the student.
- f. The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your

tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

I. Loans:

- a. If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:
  - i. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
  - ii. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.
